Dear Parents and Carers

Please find attached the recent Ofsted report or follow the link below to the Ofsted webpage. The report will also be published on the school website.

<https://reports.ofsted.gov.uk/provider/21/120098>

Although the school has not yet met all the requirements to be judged as 'Good' overall, the report acknowledges the improvements that have been made since the last inspection. It also recognises the unsettled leadership and the efforts made by the Acting Headteacher, with the support of the Local Authority and the Governing Body, to stabilise the situation.

We are very proud that our Early Years provision has been judged to be good and that the hard work that has gone into pupils' Personal Development, behaviour and welfare has been recognised with a 'Good'. The school has also successfully reviewed the use of the Pupil Premium and Sports Premium Funding, as well as the Governing Body having successfully undertaken an external review of governance. All of these achievements have been made despite unsettled leadership and staffing issues.

Many of the issues raised have already been identified as areas of priority. We have started to review the curriculum to ensure it meets the needs of all of our pupils and we are continuing to raise the profile of reading across the school. The inspection report gives a clear direction forward and the school is in a more stable position now that it has been for the last two years.

I would like to thank all the pupils, parents and staff for their continued support during these difficult times. We will continue to ensure your child receives the very best education we can provide as well as ensuring they are well rounded individuals who have made the most of every opportunity that Ravenhurst has to offer them.

Yours sincerely

David Swales
Acting Headteacher
